## **T Series**

### **Commercial Audio Amplifiers**

The Crown T Series are professional-grade power amplifiers designed for entertainment venues, movie theaters, mobile performances, conference rooms and other commercial venues. Their compact design makes them perfectly suited for mobile use and entertainment venues with limited space.

The T Series' design is based on professional Crown technologies, with a simple and efficient amplification circuit, and an upgraded heat dissipation system designed to ensure professional performance day after day. For over 60 years Crown has focused on power amplifier technology research and innovation, and with the T Series, Crown delivers a user-friendly installation with professional audio quality.

#### **FEATURES**

- Four models available: T3, T5, T7 and T10
- Stereo, parallel, and mono bridge modes
- User selectable input sensitivity: 0.775V or 1.4V
- RCA and XLR input connectors; Speakon® and speaker binding post output connectors
- Protection circuit against short circuit, no load, on/off noise and radio frequency interference

#### **POWER SPECIFICATIONS**

T3	1 kHz POWER		
STEREO, 4Ω PER CHANNEL	450W		
STEREO, 8Ω PER CHANNEL	330W		
BRIDGED MONO, 8Ω	900W		
1 kHz, 0.5% THD			

T5	1 kHz POWER	
STEREO, 4Ω PER CHANNEL	750W	
STEREO, 8Ω PER CHANNEL	500W	
BRIDGED MONO, 8Ω	1500W	
1 kHz, 0.5% THD		

T7	1 kHz Power	
STEREO, 4Ω PER CHANNEL	950W	
STEREO, 8Ω PER CHANNEL	675W	
BRIDGED MONO, 8Ω	2000W	
1 kHz, 0.5% THD		

T10	1 kHz POWER		
STEREO, $4\Omega$ PER CHANNEL	1350W		
STEREO, $8\Omega$ PER CHANNEL	1000W		
BRIDGED MONO, 8Ω	2700W		
1 kHz, 0.5% THD
