PARTYBOX110

Portable party speaker with 160W powerful sound, built-in lights and splashproof design

Features and Benefits

Powerful JBL Original Pro Sound

Whether you're at home or outdoors, the JBL PartyBox 110 makes your music amazing with two levels of deep, adjustable bass and powerful JBL Original Pro Sound.

Dynamic light show that syncs to the beat

Every kind of music is better with a dynamic light show! Colors synched to the beat make you want to move your feet, while customizable strobes and patterns dazzle your eyes. It's a unique, immersive audiovisual experience that transforms any party into a work of art.

12 hours of playtime

Power the party all day or all night. With 12 hours of playtime and a built-in rechargeable battery, the beat will go on (and on)!

IPX4 splashproof

Whether your guests are dancing on the beach or sipping drinks by the pool, the JBL PartyBox 110 is IPX4 splashproof so you never have to worry about the party getting too wet and wild.

Mic and Guitar inputs

With mic and guitar inputs, you can show your talents as you sing and play along. Not only will you sound great but you'll look great, too, with the perfect light show for rocking out!

PartyBox app

The JBL PartyBox app makes it easier than ever to control your music, update settings, and customize the colors and patterns of your light show for the perfect party vibe.

Multisource playback

Stream your tunes wirelessly via Bluetooth, connect a USB stick, or plug in with an aux cable. The JBL PartyBox 110 offers ultimate adaptability for your music.

Pair your speakers for even bigger sound

One JBL PartyBox not enough? Pair two speakers with a cable or Wireless by True Wireless Stereo (TWS) technology for even bigger, bolder sound.
